Fenimore Asset Management Supports Schoharie Scrub Club

The Fenimore Asset Management Contribution Committee made a donation in the amount of \$1,000 to support the startup of Scrub Club in Schoharie County High Schools. The Scrub Club program is designed to help high school students build solid futures by introducing them to a broad array of healthcare careers through interactive programs, hands-on activities, and inspiring field trips. The goal is to engage students through encouragement and mentoring programs to demonstrate that continuing their education beyond high school can be meaningful, engaging, and relevant to their future.

Catskill Hudson Area Health Education Center (AHEC), creator of the Scrub Club program, assisted with the development and submission of this grant application.

“We are very appreciative to Fenimore Asset Management for recognizing the benefits of the Scrub Club program and pro-actively supporting the future of high school students in the Schoharie region. Their donation will enable Cobleskill-Richmondville, Middleburgh, and Schoharie High Schools to participate collaboratively in Scrub Club through monthly, afterschool sessions at the Schoharie VoTech Center.” stated Kathryn Reed, Executive Director of Catskill Hudson AHEC.

Additional funding for this program is anticipated through other grants that were applied for by Catskill Hudson AHEC.

Catskill Hudson AHEC is a non-profit organization whose mission is to address regional healthcare workforce shortages through education and collaborative community relationships to assist students, career seekers, and health professionals. For additional information on programs and services, please contact the staff at Catskill Hudson AHEC at (845) 883-7260 or visit their website at www.chahec.org.
