### Delaware Valley M\*A\*S\*H\* Camp

For the past 10 years, Catskill Hudson AHEC has supported the Delaware Valley Hospital M\*A\*S\*H\* Camp – an annual, 2-day program to help high school students learn about various health occupations through hospital tours and hands-on activities.

This year's program was held on October 22 and 23. "M\*A\*S\*H\* Camp was again a success!" stated Cindy Gardepe, Program Administrator at UHS Delaware Valley Hospital. "Students received their Scrub Tops and UHS tote bags full of items [upon arrival]." Twenty local high school students then toured the Walton Primary Care Unit with Dr. Freeman; as well as the Laboratory, Radiology Department; Respiratory Therapy; Physical Therapy; the Emergency Department, the Medical Unit, Ambulatory Surgery, and the Outpatient Pharmacy.

"Thank you again for [Catskill Hudson AHEC] assistance and support for this program." added Ms. Gardepe.

Catskill Hudson AHEC is a non-profit organization whose mission is to address regional healthcare workforce shortages through education and collaborative community relationships to assist students, career seekers, and health professions. For additional information on their programs and services, please visit [www.CHAHEC.org](http://www.CHAHEC.org) or call (845) 883-7260 to speak with a staff member.
