

The Response of the Nursing Profession to the Challenge of Adverse Childhood Experiences (ACES): Emerging Intervention Strategies

April 12, 2019

8:00AM-4:00PM

**The Henry A. Wallace Center at the Franklin D. Roosevelt Library
 4079 Albany Post Road, Hyde Park, NY 12538**

The purpose of this program is to provide an educational forum for nurses and nursing students to discuss Adverse Childhood Experiences (ACES) and the potential effects it can contribute to long-term, adverse health-related issues.

This program is presented by the Catskill Hudson AHEC Nursing Workforce Development Workgroup in coordination with the SUNY Delhi School of Nursing.

The purpose of this program is to provide an educational forum for nurses and other health professionals to discuss the various components of a population health infrastructure and the key role of nurses within this framework toward cultivating healthy communities.
