Catskill Hudson AHEC's "Healthy" Board of Directors

Having recently celebrated its ten year anniversary, Catskill Hudson Area Health Education Center (AHEC) acknowledges that a considerable part of its success has been the invaluable contributions of its diligent and progressive Board of Directors; many of whom are charter members. The newest members to join the Catskill Hudson AHEC Board are William Stamp, MBA, Vice President Marketing, Corporate Communications and Strategic Planning at Bassett Healthcare in Cooperstown, NY and Gloria Fuina-Darrah, R.P.A, Owner/CEO of Greenville Family Healthcare in Greenville, NY. With them, they bring their individual expertise in diverse areas. Mr. Stamp will contribute his expertise in marketing, corporate communications, and strategic planning and Ms. Fuina-Darrah has over 40 years of experience in rural family practice.

"Catskill Hudson AHEC is proud of its accomplishments over the past ten years and, with the support and encouragement of our Board of Directors, will continue to build on our success as we look toward the next ten years" stated Kathryn Reed, Executive Director of Catskill Hudson AHEC.
